I am a front-end developer currently based in London, but able to work in other UK cities. I have a working visa valid until November 2023 and open to full time opportunities. I can start as soon as needed. In the past, I have worked at web design companies and created some websites with my team members. I am ambitious, hard-working and conscientious. Moreover, I am trustworthy and loyal.

EXPERIENCE

Front-end Developer - Freelance   Remote | 08. 2021 – present
